Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Line 12 of the Detailed Summary Page discloses a transfer from a joint fundraising committee. However, the sum of memo Schedules A supporting Line 12 is less than the amount transferred. Please note that the sum of memo Schedules A supporting a transfer from a joint fundraising committee should be greater than or equal to the amount reported on Line 12. Each participating committee shall report its share of **net** proceeds received from the joint fundraising committee as a transfer-in on Line 12. Each participating committee shall also file memo Schedules A itemizing its share of the **gross** receipts as contributions from the original donors. (11 CFR § 102.17(c)(8)(i)(B)) Please amend your report to correct this discrepancy.

2. **It appears that your committee may have filed duplicate 48-hour notices.** Your committee filed two 48 hour notices for each of the following contributions; however, these contributions are only disclosed once on Schedule A of your report.
